EXPERIENCE

2024 — PRESENT

EVO CREATIVE LAB
SANTIAGO · REMOTE

Founder & Creative Consultant

- Brand strategy, identity systems, and communication design for clients across industrial, retail, mining, editorial, and financial sectors.
- CRM and email marketing programs built and operated via Brevo: automation flows, segmentation, and performance reporting.
- Web properties managed on WordPress/WooCommerce and static stacks: content calendars, SEO structure, and social workflows.
- Active clients: DGC Maquinarias, Acción Vintage, María Paz Jiménez, Saldipe, Alejandro Sagner SpA, Schiff Sovereign.

2013 — 2024

ZMART GAMES
SANTIAGO, CHILE

Marketing Manager & UX Director

A decade leading marketing, brand, and customer experience for Chile's leading gaming and geek retail chain.

- Built and scaled zmart.cl into a 100k+ product omnichannel platform, directing UX, digital content, and platform operations.
- Deployed a 4K dynamic content system synced across 25+ retail locations nationwide.
- Founded and edited Inzider Magazine: a free print magazine sustained by publisher advertising (Nintendo, PlayStation, Xbox, Pokémon, Magic: The Gathering), multiple editions over several years.
- Led culture and internal communication work recognized with a Great Place to Work certification.
